## No longer accountable for his actions!

(Bellicose Bruce Bloggers' "Bush Bash" Brevity Boggles Brains Briefly Before Being Believed?)

BUSH SAID, " ONE OF THE HARDEST PARTS OF MY JOB IS TO CONNECT IRAQ TO THE WAR ON TERROR!"

(ditto this scenario and substitute "N" for "Q" (equals Iran) or, IRAQ - Q + N = GNW? <George's New War> )

(President Tells Katie Couric in an interview one year ago, 12/6/2006 ) that's 2006 folks!

Maybe it's SO HARD because there WAS NO connection, at least with Bin Laden. So George's been trying his damndest to now connect IRAN to the war on terror, and he has had to twist things so wrong is right, black is white, war is peace, freedom is slavery, and IGNORANCE is strength! (Now, where have I heard that before? ) Deja vu all over again! Now we find out IRAN has been telling the TRUTH about their "NUC-U-LAR" program! (BTW, does it bother you as much as it bothers me how our president can't ever say "NUCLEAR"? ) Bush has made IRAN look like the good guys! How in the hell could he be so incompetent as to make IRAN look good! IRAN, for heavens sake. He is making the third leg of the "evil empire" look like a victim! Sad days are here my friends, when will it ever end?

(so now I stole this photo of Bush and Couric interview)

DON'T GO AND CONFUSE ME WITH FACTS! I KNOW WHAT I BELIEVE ABOUT IRAN!

It's no secret I have never fathomed why Bush deserved to be the leader of the U.S.A. Far as I could ever tell, the only qualification he ever had was being the son of a former president. I think he has proven me correct and I hate being right in this case. I was one of the first to question what he did in Iraq and now I'm in the majority. I'm making a prediction, based on what I'm seeing at the moment. He is showing signs of mental problems caused by reality irrevocably interfering with his personal view of what the world should be like and it has driven him mad. Mad as a hatter. Mad.
