- Full color graphics
- Flap closure available
- Any style or number of disc pages
- Non-removable or removable pages

With the same premium look as traditional hand made turned edges, Univenture's turned edge binders can be custom manufactured to your specifications without the traditional high cost.

Unlimited cover options are offered with full color printing on a variety of materials. Choose either ring configuration with removable pages or post and screw with non-removable pages in any page style.

Ask your sales consultant for details about the right combination for your project!
