Technical Skills

I am proficient with most Windows operating systems and highly skilled with Macintosh operating systems. I have been using Final Cut Pro professionally for more than 6 years. I also excel in After Effects, Motion, Color, Soundtrack Pro, Photoshop, QuickTime, Reason, QuarkXpress and Microsoft Office. I run a MacBook Pro with Final Cut Studio 2.

Interests and Accomplishments

I was President of The Plague, NYU's comedy magazine. In my free time I enjoy cooking, hiking, reading, yoga, drinking espresso and drawing cartoons. My writing has been published in several publications in the UK and the US. I have written several unproduced feature film scripts and an unpublished novella. I blog, occasionally, at www.badcharacter.com and www.double7world.com.
