Requirement:

One requirement for new members is that they play at least one round with the club during a tournament. This is so we can both get to know each other a little bit and determine if the fit will be a good one. Contact the tournament chairman through the web site to get signed up for a tournament in the near future so you will be fully eligible to become a member.

At this writing, the club is near the constitutional maximum of 80 paid members. Additional applicants wishing to become members of the club may go on a waiting list until space becomes available. Checks from potential new members will not be cashed until they become full members of the club. Memberships typically open up late in the calendar year and are good for the following year. New members have joined Foon Hay in each of the past four years.
