SUPERIOR COURT OF LOS ANGELES)

Respondent,) ORDER

TOBY HARRIS, et al,)

Real Parties in Interest.)

THE COURT:*

The court has considered the submissions of the parties and the trial court's rulings in response to the December 12, 2007 Notice of Intention to Grant Peremptory Writ in the First Instance.

The court is satisfied that the trial court has cured any abuse of discretion in failing to rule on Petitioners' evidentiary objections filed in opposition to the motion to certify a class in this case. The trial court's order of January 2, 2008 renders the petition moot and the petition is dismissed.
