

Copyright Issues Hunt by Cindy O'Hora

Directions: Use the links provided to find the answers to the questions. Use a bookmark of this hunt to speed your return to this hunt page. <http://homepage.mac.com/cohora/ext/copy.html>

1. You find the perfect image for your report on a web site. Under the picture is a copyright notice. How should you handle this?

2. You paid \$25 for the newest cd of your favorite group. Your best friend's family has fallen on hard times. You make a copy of the cd for him. Is this ok? Not OK? Why?

3. Fair Use means a teacher can take the contents of a web activity page and repost it in your school's web site because it is for a school. True or False. Support the answer.

4. What three factors qualify a work for copyright protection?

5. What three things may be included in a copyright notice?

6. Name an author who was caught plagiarizing.

7. Congratulations, you wrote a great book. How long is that book copyright protected according to the US Copyright Office?

8. Your group is creating a web site as a class project. While researching on the Internet, you discover a great online puzzle that really fits your project. None of you knows how to make online puzzles. Are you legally permitted to copy the web page and add it to your web site?

Since your project's site will be online what is an alternative to posting the puzzle in your site?

How much music, from your favorite rock group, can you add to the project?

The opening shot from a hit movie would be a great closing for the class digital yearbook. How much can you use?

9. **True or False.** Everything on the Internet is Public Domain. _____

10. What are the five exclusive rights given to copyright owners under the Copyright Act?

11. Write one of the The Ten Commandments of Computer Ethics.

Done already?
