

## ***FINAL CUT PRO PROFESSIONAL TRAINING***

WestWorld Computers, 1000 Centre Street North, Calgary Alberta  
July 10<sup>th</sup> to 14<sup>th</sup>, 2006 – Class runs from 0900-1600, with one hour for lunch

Designed to bring you to the forefront of Apple's digital media technology, this professional level training program will give you a competitive edge in today's ever-changing job market. Whether you are an editor, special effects artist, sound designer, web developer producer, or a teacher in multimedia, this training will help you expand your skills.

### **Five Day Final Cut Pro hands-on training course taught by an industry professional and Apple Certified Trainer in Final Cut Pro.**

The first three days take students into the editing environment using Final Cut Pro 5 (FCP). Topics include using Mac OS X Tiger, basic FCP setup, customizing preferences and settings, capturing video and audio, editing and trimming techniques, ripple, roll, slip and slide tools, and final output.

The final two days are a more comprehensive and immersive look at advanced tools and techniques within FCP, including advanced workflow, time re-mapping, keyframing (animating) text and images, multi-cam editing and advanced finishing and output. Additionally, an overview of audio editing and audio creation using Soundtrack Pro, title creation using LiveType, and an introduction to working with Motion and DVD Studio Pro in a professional workflow, are covered as time permits. Actual course content will be guided by class needs and may vary slightly from that described.

This five-day course is designed for those who want to gain a professional working knowledge of Final Cut Pro 5. Participants will learn to effectively take a project from concept to completion. Basic knowledge of computer operation and the Macintosh operating system is highly recommended.

**Course costs** (includes use of work-station for each participant and Apple Pro Training Series manual) – \$1100 + GST (note: 5% discount, \$1045 + GST, applies if paid in full by July 7<sup>th</sup>). Full payment required to guarantee a seat in session.

**Course Dates and Times** – course runs July 10<sup>th</sup> to 14<sup>th</sup>. The class starts promptly at 9am and finishes at 4pm, with one hour for lunch. The classroom will be open until 5pm for those who want extra practice or to ask questions specific to their needs.

**The Instructor** - Duane Martin is a professional editor who has worked on numerous award-winning productions (*Pushing the Limit*, *MCRT*, *Chicks with Sticks*) in formats ranging from DV, to film, to HD. It is this practical working knowledge and experience in the current environment of non-linear editing that makes this course unique. Duane is an Apple Certified Instructor of Final Cut Pro, and has been teaching FCP for more than three years.
