

## Using the Network in Antioch Unified School District - Grades 6 - 12

With the permission of your parent or guardian, our school offers you an opportunity to use the Internet at school. We expect you to use the Internet while in our building only for educational purposes approved by our school. This use is a privilege, not a right, and we may discipline you or take away your right to use the Internet at school if you misuse this privilege. You are responsible for your own actions while you are on the Internet at school and are also accountable for any online activities that occur by others because you have allowed them to use your account.

As a student, you should read the following regulations and then sign this form to show that you understand your responsibilities in using the Internet at this school.

- While online, I will not use language which may be offensive to other users. I will treat others with respect. The written and verbal messages I send while on the Internet will not contain profanity, obscene comments, sexually explicit material, nor expressions of bigotry, racism and hate.
- I will not place unlawful information on the Internet, nor will I use the Internet illegally in any way that violates federal, state, or local laws or statutes. I will never falsify my identity while using the Internet or post anonymous messages.
- I will not use the Internet for non-school related activities.
- I will not send chain letters nor any pyramid scheme either to a list of people or to an individual, nor will I send any other type of communication that might cause a congestion of the Internet or interfere with the work of others.
- I will not use the Internet to buy or sell, or to attempt to buy or sell any service or product, or for other personal financial gain.

- I will not change any computer file that does not belong to me.
- I will not use copyrighted materials from the Internet without permission of the author. I will cite the source where appropriate.
- I will never knowingly give my password to others, nor will I use another person's password.
- I will never use the Internet to send or obtain pornographic or other inappropriate material or files, e.g. drug related, weapons for personal use. I will investigate such topics only as assigned by my instructor.
- I will never give out personal information such as name, address, phone number or gender, (except for the usual information contained in the headers of my electronic mail, when available).
- I will never knowingly circumvent or try to circumvent security measures on either the schools' computers or on computers at any remote site.
- I will never invade others' privacy or attempt to gain unlawful access to another person's or organization's resources, program, data, or personal information.
- I will not make, or attempt to make, any malicious attempt to harm or destroy data of another user on the Internet, including the uploading, downloading, or creation of computer viruses.
