September 7, 2006

Dear Parents:

I hope everyone had received the letters I sent home with your sons last week. I have selected a date for the car wash. That date is Saturday September 16, 2006. Here's how it's going to work...

Each wrestler/manager will be given a sponsor sheet, in which they will record the names and amounts that each sponsor will contribute per total number of cars washed. *For example: If Harold Beemers say he will donate a dime for every car we wash and we wash 100 cars, Harold Beemers will give us ten dollars.*

We have approximately 31 team members, thus our potential profit margin is high. However, WE NEED everyone's contribution. Last year we made over \$1,100!!!!

I understand we all have things to do, and no one wants to spend an entire Saturday washing cars. Therefore, our car wash will be from 9 am to 1 pm (I'd like for everyone to arrive at 8:30). Our location will be in the school's driveway. We will need rags, towels, and hoses; so you can lend them to us for the time it will be greatly appreciated.

Let me stress this will be a free car wash, however, we will ask each car washed to donate to the Jordan Wrestling Family.

Enclosed is a sign up sponsor sheet. Each team member should be able to get a minimum of ten sponsors. If you can get more than ten sponsors, please do so.

If you are able to donate rags, towels, hoses, and buckets please let me know as soon as possible. Finally, this is one of two **MANDATROY** events this fall for all wrestlers. I have sent out information since May, so I will expect ALL wrestlers to participate. Heck, it goes right back to them. Please keep September 30th free for our Mandatory clinic.

Also, if there are any questions please contact me.

Thank you,

Phillip Davanzo III  
Head Wrestling Coach  
Jordan High School

## Charles E. Jordan High School Wrestling Car wash Sponsors

<u>Name</u>	<u>Address</u>	<u>Phone Number</u>	<u>Circle One \$.10 or \$.25</u>	<u>Total</u>
1.			\$.10 or \$.25	
2.			\$.10 or \$.25	
3.			\$.10 or \$.25	
4.			\$.10 or \$.25
