The actual Cavalcade data should be stored in a spreadsheet as shown below. By using a spreadsheet you can sort the list by wrestlers, tournaments or even weight classes to provide additional information. Column A, not shown above, should be the number of the tournament win so you can sort that column to get back to the original list with the proper chronological order.

	A	B	C	D	E
1	1	Charlie Perez	148	Long Branch YMCA Tournament	1971
2	2	Bill Jacoutot	126	Westchester Tri-State (NY)	1971
3	3	Ed Dougherty	98	District Tournament	1971
4	4	Tom Jacoutot	106	District Tournament	1971

At the end of the Cavalcade you can provide a summary that lists the wrestlers according to the number of their tournament wins such as this:
