

Bellingham High School Red Raider Wrestling

Dear _____

From _____

JOIN THE TEAM!

Become a part of one of the most exciting high school athletic programs in the state of Washington. Red Raider Wrestling has achieved a profile of one of the top high school wrestling teams in the state. It is the commitment of the coaches, administration, parents and wrestlers to continue to strive to develop the athletic skills and character of young student-athletes in Bellingham. You can be part of our team.

The Bellingham High School wrestling booster club is fundraising in order to hold a technique camp at Bellingham High School and then send as many of our wrestlers as possible to attend a highly competitive team wrestling camp operated by North Idaho Community College in late June.

The cost of the Bellingham camp is \$35.00 and the North Idaho team camp is \$295.00 per participant not including transportation. Though each boy will be responsible for raising a substantial portion of this cost, realistically it will be difficult for many.

Coach Smith believes that, “bringing in a top quality clinician for our local camp will help them prepare for the competition camp and for next years season. The total camp experience will greatly benefit our individual wrestlers and the team as a whole.”

We’re aware that there are many worthy organizations soliciting funds these days, but if you are able to contribute you can be assured you will be supporting some very dedicated young men who are on a mission to win a state title.

All our sponsors will be sent a thank you note. Please present it at our car wash on a date to be announced and our wrestlers will wash your vehicle for free as a token of our gratitude. The top donator’s will also be treated to free admission to our meets as well as a reserved spot on the couch mat side.

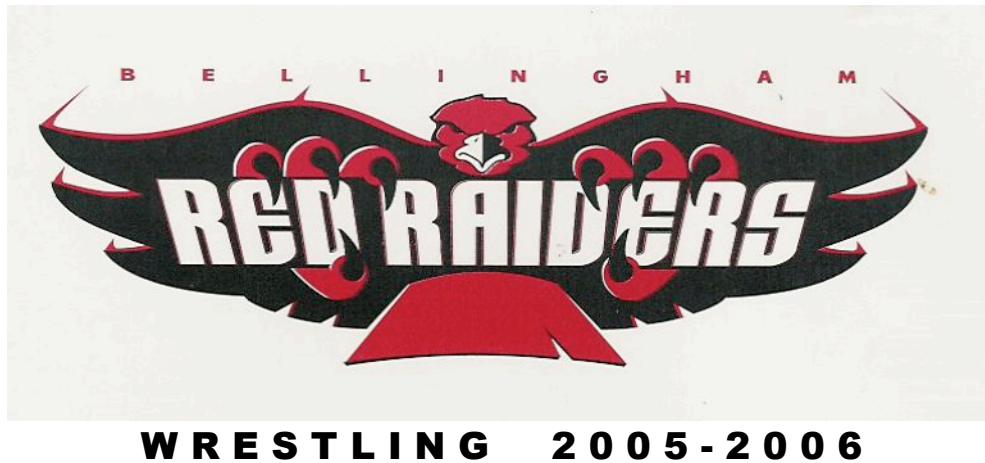

Sponsor’s Reply

Yes! I will donate to defray your camp costs in the amount of: _____

Make check payable to: Red Raider Wrestling

Please return this form with your payment. Your donation may be tax deductible as provided by law.
