KAILUA INDEPENDENCE DAY PARADE INFORMATION SHEET

SCHEDULE

Gates at Kainalu Elementary and Kailua Intermediate Schools will open at 6:00 a.m. There will be shuttle buses available to take you to your staging area from 6:00 a.m. until 9:00 a.m. **No animals are allowed on the shuttle buses.** *Everyone MUST be in their staging area no later than 9:00 a.m.* Kainalu Drive will be closed by the Honolulu Police Department promptly at 9:00 a.m.

SAFETY

Once your unit arrives at its designated street, be prepared for a wait. We suggest hats, sunscreen, comfortable clothing, water and cold drinks be available to your group. The route is about 1½ miles long and there is no shade. The bathrooms at Kainalu Elementary School and Kailua District Park will be open.

Children are to remain in or on moving vehicles *at all times*. Absolutely no going on and off moving vehicles will be allowed. Units that include children 5-13 years of age must have an adult to child ratio of 1 adult per 10 children. Units that include children under the age of 5 must have 1 adult per 2 children. Parade ushers will be clearly identifiable with labeled t-shirts and badges along the parade route and will have radios available for any emergency that might arise. **Please do not toss any items from floats or vehicles.**
***** Your organization is responsible for the safety of your participants *****

PARKING

Parking is available at Kailua Intermediate School until 1:00 p.m., at which time the parking lot gates will be locked and remaining vehicles will be towed at the owners' expense. Parking in front of the loop is reserved only for horse trailers, buses, equipment trucks, the Royal Hawaiian Band members and vehicles with handicap tags. No other vehicles will be allowed to park there, as the area is needed for the large floats to maneuver and off-load after the parade. Parking is also available on all the side streets along the parade route. Please ensure that you are parked off the pavement and be respectful to the residents' lawns. It is important that you relay this information to your entire unit to avoid confusion.

PARADE RULES

There are important rules that must be followed for the safety of our participants and spectators. Please understand that these rules come after years of experience and as a result of many comments and suggestions.

1. The Parade Committee has the final determination of who may participate in the parade. Entries not appropriate for children's viewing or deemed objectionable will not be allowed to participate in the parade.
2. Each unit is required to display a minimum of one American Flag. More is preferable.
3. Parade entries and individual participants shall conduct themselves in an appropriate manner at all times.
4. Entrants are discouraged from passing out leaflets and/or flyers as they end up trashing the neighborhood.
5. Participants are not allowed to throw items into the crowds. Instead, have walkers hand out items.
6. Entries shall be limited to no more than 100 participants, no more than 10 cars and no more than 100 marching feet in length. Marching bands and military equipment are exempt from this rule.
7. All entrants are urged to provide some type of creative entertainment for children.
8. All entrants must follow the instructions of the street marshals to avoid unnecessary delays and proper spacing of the parade. No substitutions in line ups are allowed.
9. Entrants must make every effort to maintain close spacing with the unit ahead. Keep moving and do not stop to perform along the parade route. Limit reviewing stand performances to 30 seconds.
10. At the end of the parade at Kailua Intermediate School, parade marshals will direct floats into the parking lot in an orderly manner. No disassembly is allowed on the streets.
