

# Accommodation

## At Durrell's wildlife park

### Location

A traditional Jersey farm house, Les Noyers is located in the north western corner of Durrell's wildlife park.

Durrell purchased Les Noyers in 1985 with the express intention of developing a residential programme of endangered species recovery training. Since that time we have trained more than 2800 conservationists from 128 countries in how to save species from extinction.

Les Noyers is only 10 minutes walk to coastal cliff paths. There is a bus stop at Durrell's entrance, which makes St. Helier easily accessible and there is ample parking.

### Facilities

We have ten bedrooms catering for 24 people (over 16 years of age), in individual through to shared and family rooms. The accommodation is hostel-style, with shared shower and toilet facilities.

We offer bed and continental breakfasts with the option for self-catering use of our kitchen.

Every guest is given a complimentary ticket to enter Durrell's world-famous wildlife park, lying adjacent to Les Noyers. Other facilities include:

- TV lounge
- Computer suite (20 terminals) with 24hr internet access and free WiFi
- Laundry facilities
- Private garden for day or evening functions
- Extensive training facilities for groups running courses, workshops, or looking for a retreat for extended meetings

Room type	Price (01/04/2010 - 15/09/2010)
Single occupancy	£35
Twin room	£64
Family room (2 adults, 2 Children)	£84
Shared room (multiple occupancy)	£25
