

PTA NEWS - March 2009

RES TRACK

Thank you to all who attended the February meeting and to all of you who emailed your opinions and concerns about the proposed track at Rye Elementary School. Many people like the idea of having the track, but are concerned with how to pay for it. At the meeting it was decided that grant money would be pursued to try to raise the funds to install the track, and we have begun the process of applying for any grants for which we might be eligible.

MEMBERSHIP

We would like to also thank all of you who joined or renewed your memberships during this last membership drive! We have surpassed our goal of 200 members and hope to have increased our membership enough to win a laptop from the national PTA. **It is never too late to join!!** The deadline for the contest is March 30th, so if you have not joined or renewed and would like to help, please send in the form below.
