

love the little children

kelly hornsby... loving the little children of Romania with the love of Jesus!

A little about me...

It is the end of May and school is quickly coming to a close here in Dallas. It has been a wonderful Spring. God has been so faithful to confirm over and over my decision to go to Romania this fall. He has brought much encouragement into my life and has overwhelmed me with His provision for my needs. I am currently a little over 75% on my monthly support which is such a blessing. I will continue to raise support throughout the summer while I am in Baton Rouge as I spend time with family and continue to work on my language skills before leaving for Romania early September. God has also given me a good taste of how I will need to continually depend on Him and learn to depend also on others and prayer. I have needed and been blessed with many who have helped me finish up this year and get me ready for my move to Baton Rouge following my recent surprise appendectomy. It has been a big reminder that God is in control (not me) and He will meet all my needs, although often not as I would have planned. As I bring one season of my life to a close, there comes a sense of grieving. God has blessed me greatly in Dallas in my job, my church and my friendships. At the same time, I look forward with great anticipation to what God is calling me to in Romania. I pray that with His strength, I will be a blessing and bring faith, hope & the love of the Father to these children! Thank you to so many of you who have blessed me by investing financially and through prayer in this ministry already. I am so thankful for you!

Romania update...

Some of you may have seen in the news the big decision that will be made in Romania, possibly before the end of this month, which would close international adoptions out of Romania forever. If this law is passed, the over 80,000 orphans in Romania will stay in the country. The debate comes as Romania tries to enter the EU within the next three years. The EU supports the ban of international adoption due to former corruption in the system, while the US would like them to be open if no domestic family can be found. Please pray that God's will be done in this very important matter that affects the fate of so many children. You can read more about this at: USAToday.com - orphans caught in the middle.

Livada update...

As we all get ready for our summer vacation here in the States, the staff of Livada Orphan Care is getting ready for one of the busiest and most wonderful times of ministry during the year. Each orphan child in Mures county will be attending a Christian Summer Camp with us this summer. Teams from several countries in the world will be coming to Romania to serve alongside the Livada staff to teach these children (who have nothing on this earth!) how they can become children of the King and the treasure of God's Word. Please pray for the staff as they prepare, for the teams as they travel and serve, for the children to be healthy & able to attend and for many to come to know Him personally!

Join me in

prayer...

Please pray this summer that God will continue to provide all that I need so that I will be able to go to Romania in early September. Pray that I will continue to make progress in learning Romanian. Pray for my health and strength as I prepare to go. Pray for good times with family and friends before I leave as well as quality time with the Lord as He continues to prepare my heart and mind for the task before me. Pray for continued clarity as to my role when I arrive in Romania & for the kids that He is calling me to love!

Please note:

All correspondence & contributions should be sent to my new address..
