

# The ECU Tiger Charges

The Alumni Newsletter from the East Central University Physics Department

Issue 4. Spring 2007, pg 2  
Dr. Karen Williams  
ECU Physics Dept.  
580/559-5394  
kwillims@mac.com

## Lost Alumni !

As hard as I try, I have lost a few of our grads or their email addresses are no longer good. Help!!!!

Alan Snedecker  
John Medeck  
Scott McIver  
Levi Standeford  
Tim Hall  
Chris Grace

## Alumni Info Webpage

I have revised the ECU physics alumni page. I am in the process of building an alumni database that I hope to put on this page eventually. Go to url: [http://homepage.mac.com/kwillims/Alumni\\_Page.html](http://homepage.mac.com/kwillims/Alumni_Page.html)

## Update on '95 graduates

I ran into **Lee Hobbs** at Walmart. He is married and has two boys. He recently completed his MS Nuclear Engineering.  
Edward.L.Hobbs@us.army.mil

**Chih-yung Wang** sends us a letter at Christmas. He is married and has a son. His dad was hit by a car last year. Wang works for Contrel in Taiwan.  
cy-wang@contrel.com.tw

## Alumni News-Babies! Congratulations!

Well, ECU might improve our physics numbers with this large group of babies from alumni!

**Kristen Brendle Taylor** and husband Bobby have a son Breckin born in February (pic at rt.). Kristen works as a medical physicist in Tyler, TX. (Kristen.Taylor@USONCOLOGY.COM)

**Erin Bevill** has a daughter and is expecting twins this summer. Erin works at Hunter Mechanical in OKC. He hired one of our May graduates (Brad Madron). Erin's email is [erin@huntermechanical.com](mailto:erin@huntermechanical.com)

**JohnPaul Townsend** and wife Christina are expecting baby #1 in July. JohnPaul said will be a boy-Harrison Franklin. JohnPaul works at GAMI in Ada-so you had better bring that baby by to see us and Betty downstairs. In her job description is "to hold the babies!". ([john-paul@gami.com](mailto:john-paul@gami.com))

## Alumni Career Updates.

**Scott McIver** in Air Force T-6A Texan II. It is a turbo prop (Jet engine that spins a prop through a reduction gear box) that has 1100 h.p. It produces about 3400 lbs. of thrust and weighs 6500 lbs when full of fuel. At normal cruise altitude it can do about 300 mph.

**Emily Scott Clark** is a wildlife fire-fighter alongside her husband, Larry. She has goes to many fires in the U.S. ([lifes\\_gooood@hotmail.com](mailto:lifes_gooood@hotmail.com))

**Shenale Glenn** earned a MS in dosimetry from OUHSC in August and now works at Sammons Cancer Center in Dallas. Congratulations!  
[Shenale.Glenn@USONCOLOGY.COM](mailto:Shenale.Glenn@USONCOLOGY.COM)

## New Alumni--May 2007 Graduates.

Brad Madron (will work with Erin Bevill at Hunter Mechanical)  
Sabina Koukourinkova-Duncan (physics grad school at U of Arkansas)  
Todor Ivanov (grad school at UCO)  
Vince Freeman (teacher to be)  
Erik Gonzales (off to OU engineering BS degree)  
Jonathan Gonzales (off to OSU engineering MS degree)
