**Base Charges** include setup and the cost of a professional quality blank VHS cassette used for the transfer along with the details listed above.

**Photo - Slide to video** orders - Vertical slides may involve some cropping to be condensed to a horizontal screen.

**Regular Music** entails customer selection of a general type of music to our discretion. For example the customer will request soft rock or 60's music and the lab will pick from our selection.

**Customized music** is when the customer prefers to provide their own music and request a specific song to go along with a specific section of transfer. A CD brought in burned in sequence preferred is 29.95/hr. If Several CD's are given with specified tracks cost is \$ 10.00 per song

**A format change** is when two or more types of transfers are edited to one video. For example a video with 8mm spools followed by slides entails format change charges. Another example is a combination of 8mm spools and Super 8mm spools on to one video. This should also incur a format change charge.

**Splicing** is done when as the reel is being transferred a break occurs.(first couple splices are free)

# **NOTARY SERVICES**

Each signature notarized is \$ 10.00 a fee which is set by the Secretary of State.

## **TRAVEL NOTARY SERVICES**

Travel fees are in addition to the regular \$ 10.00 per signature fee charges.  
Before quoting a price, ask the following questions to base your charges on:

- Where is the notary to go?
- How many signatures need to be notarized?
- What type of document is it?
- Do all parties signing have current Identification? ( ie CDL or passports)
- By making an appointment the customer is obligated to pay the travel fee whether or not a notarization is performed ( ie if one of the parties does not show up )

Travel within reasonable distance \$ 25.00- 50.00 (usually \$ 37.00 )

Travels to Jails, Hospitals are exceptions to our regular travel charges because of unusual wait times that we may have. For Jails travel is \$ 80.00-100.00. For Hospitals travel is \$ 37.00 plus \$ 20.00 for every extra 15 minutes we are required to wait.

After hours travel notaries can range from \$ 60.00 to \$ 100.00 depending on the time and distance.

# **RESTORATION SERVICES**

We offer numerous options for restoring, enhancing, or retouching photographs. These options include repairing of scratches, cracks, folds, tears and even water damaged images. Photo manipulation is also offered including adding or removing people, retouching (removing wrinkles or bags under the eyes), changing backgrounds, superimposing of images and creation of collages.

We never work on the customer originals and they are returned unharmed to the customer. Originals are simply scanned into the computer to be restored. (Some may have to be restored by hand on a copy print.)

Restoration prices are based on labor and time assessed for the range of difficulty involved in the restoration job. Be sure to examine the customers' originals with a loupe/ magnifier to view small cracks that will have to be cleared especially if the customer wishes to enlarge from the original size.

When taking an order, these are some of the item that should be discussed with the customer and should appear on your invoice.

1. The restoration desired should be as detailed as possible and should be noted.
2. The restoration estimate if given at the time of placing the order is best because a 50 % deposit can then be collected.
3. We can offer to save the image on a floppy disk or CD file in JPEG format at High resolution is \$ 15
4. Our print prices after restoration is completed are 19.95/sheet.
5. We can also offer custom framing, mounting or a discount on frames in stock at the time of placing the restoration order.
