

Murphy's law

- Anything that can go wrong, will go wrong
- Celibacy is not hereditary.
- Beauty is only skin deep, ugly goes to the bone.
- If everything seems to be going well, you obviously don't know what the hell is going on.
- Never argue with a fool, people might not know the difference.
- Friends come and go, but enemies accumulate.
- The other queue always moves faster.
- Anything you try to fix will take longer and cost more than you thought.
- The chance of a slice of bread falling butter side down is directly proportional to the cost of the carpet.
- Never sleep with anyone crazier than yourself.
- The repairman will never have seen a model quite like yours before.
- A short cut is the longest distance between two points.
- Anything good in life is either illegal, immoral or fattening.
- The light at the end of the tunnel is the headlamp of an oncoming train.
- Murphy's golden rule: whoever has the gold make the rules.
- No matter how long you shop for an item, once you've bought it, it will be on sale somewhere else cheaper.
- In order to get a loan, you must first prove you don't need it.
