

Hey, Look! It's a co-ed, alterna-queer Pride Party

Looking for a different kind of gay pride party? So were we. That's why we teamed up with the producers of Mousetrap, DC's longest running britpop dance night, to bring you a co-ed, straight-friendly pride event you might actually enjoy.

Mousetrap: Pride Edition

This queer-friendly alternative dance party will provide a place to celebrate your pride without sacrificing your individuality. In addition to Mousetrap's usual set of kick-ass britpop, TNG music editors Michael and Zack will guest DJ, playing a mix of requests*, old favorites and artists featured on TNG.

Saturday, June 14, 9:30 PM to 2:30 AM
Black Cat Mainstage, 1811 14th St NW
