

# Hey, Look! It's a co-ed, alterna-queer "I Heart DC" Party

How do you feel about DC? Though a lot of folks just view the city as a way station toward greater things, all of its residents are here for a reason. Perhaps you're just around until the session ends, or maybe you have The District's flag tattooed on your neck. Either way, The New Gay invites you to come out and celebrate all that you love about DC or to gripe about the things you don't. As usual, our parties are co-ed and straight friendly. And in addition to our usual mix of classic and contemporary indie favorites, we'll include a fun selection of DC-centric music.

**Thursday, July 10, 8 PM to Midnight,  
Solly's, 1942 11th St NW @ U**
