

Hey, Look! It's a co-ed, alterna-queer "Cheap Beer" Party

**Special: \$3 Miller High Life
16 oz Cans
from 8 to 9 PM**

Let's face it. We all enjoy a cheap beer every once in a while. Perhaps you've already had six expensive microbrews. Maybe you're 48 hours away from when your next paycheck clears. Or maybe you just like the taste of carbonated piss water.

Come out and celebrate the wonder of cheap beer with the TNG crew, good music, ice-cold PBR in cans, and an eclectic mix of queer folks and their straight friends.

Thursday, August 21 — 8 PM to Midnight
Solly's, 1942 11th St NW @ U St
