

# Hey, Look! It's a co-ed, alterna-queer "Queer PDA" Party

Some recent incidents of anti-gay violence have shown that its not always safe to express yourself in public. But at TNG's mixers, gay affection is always welcome. This month, we're encouraging it. You can come and hold hands with your special someone, or down a couple drinks and make out with a stranger in the corner. No one's going to judge you and no one's going to care. As usual, our parties feature good music, reasonably-priced drinks and are straight friendly. It's hard out there in the world for us homos, but at least one night this month you can comfortably be yourself.

**Thursday, September 11 — 8 PM to Midnight**
