

Hey, Look! It's a co-ed, alterna-queer "Ban Marriage" Party

In light of the blows struck against gay marriage last week in California, Arizona and Florida, the homos at TNG have decided to strike back. We are sick of the omnipresent "Straight Agenda" and the irreparable damage it is doing to our children, our families and gay society at large. If we can't have full marriage rights, why should anybody?

Please join us on Thursday night for the "Ban Marriage" party, our first attempt to end the scourge that is marriage. Come out and vent, rant, organize or strategize amidst our usual backdrop of good music, interesting people and reasonably priced drinks.

Just because our government won't recognize our relationships doesn't mean you can't go out and make some new ones.

Thursday, November 13 — 8 PM to Midnight
Solly's, 1942 11th St NW @ U St
