Dear Ms. Williams,

I have conducted an investigation regarding the accusation made against you with regard to allegations of employee misconduct. My investigation has determined that you are guilty of these charges. Your actions were in direct violation of New York City Department of Education Chancellor's Regulations. Not only did you violate Department of Education Policy and Chancellor's Regulations, but you coerced several students into breaking these regulations as well.

Your actions resulted in putting those students' safety and well being at risk. You must follow all Department of Education and John F. Kennedy High School regulations at all times.

This incident may lead to disciplinary action including an unsatisfactory rating and charges that could lead to your termination.

Yours truly,

Anthony Rotunno
Principal
