Dear Ms. Williams,

This letter will summarize the events that occurred in November 2005 in which you ignored a directive from the Local Instructional Superintendent, Kathleen Pollina, advising you not to have contact with students in person or via e-mail or any involvement with John F. Kennedy unless so authorized by Ms. Pollina or myself.

November 1, 2005 – Letter from Kathleen Pollina, Local Instructional Superintendent, advising you not to have any contact with students in person or via e-mail.

November 30, 2005 – T-shirts printed with “activist” confiscated from students during school time. Subsequent statements by students indicate you had contact with students ignoring directive from Ms. Pollina.

Please be advised that your actions constitute conduct unbecoming a teacher of the New York City Department of Education as well as refusing to obey a directive to cease and desist all contact with John F. Kennedy High School students and any involvement with John F. Kennedy High School until you are otherwise notified. Failure to comply with the above mentioned directive may lead to further disciplinary action including an unsatisfactory rating and charges that could lead to your termination.

Yours truly,

Anthony Rotunno
Principal
