

MR. DEAN BAIRD'S GRADESHEET LEGEND

PEPM = If this column has "PEPM" in it, the student needs to obtain, complete, and return a Physics Effort Progress Matrix by the deadline posted in class.

Stdnt ID = Student ID, a 5- or 6-digit student identification number printed on nearly all official document issued by the school district for the student.

ACA = Academic Grade

GP = Grade Point (e.g., A = 4, B = 3, etc.)

If in Sys = The Grade Point that the student would have *if* s/he were in The System. Remember, 4 = A, 3 = B, etc. Students in The System virtually always get an A or B in the class.

cit = Citizenship Grade

Total: % | Pts = Percent and number of points earned out of all points possible in the semester so far.

Unit Tests: Pts | % = Number of points and percent of all unit test points in the semester so far.

Labs: Pts | % = Number of points and percent of all lab points in the semester so far.

Final Exam: Raw = Points earned on the final exam.

Final Exam: CTF = Total number of Credit Toward Final points earned in the semester so far.

Final Exam: Total = The sum of Raw + CTF points (350 maximum).

System Point - = Negative System Points (bad).

System Point chrs = Chores (each one makes a negative system point go away).

System Point + = Positive System Points (good).

System Point Σ = Total System Points (sums positives and negatives; takes chores into account).

Comments:

4 = More than 2/3 of the available System Points.

9 = Test average below 60%

10 = Fewer than 1/2 of the available System Points.
