

Hula Lolo (F)

(2x)
Vamp

A7 D7

When you hear sweet music soft and low

You can swing it right, swing it left

Swing it all around and do the hula lolo

When a sweet brown maiden croons "Pe nei no"

You can swing it right, swing it left

Swing it all around and do the hula lolo

When the moon is shining in Hawaii

You can dance to the strain of

"Ale koki anapau liliu e"

If you don't believe me then you can go

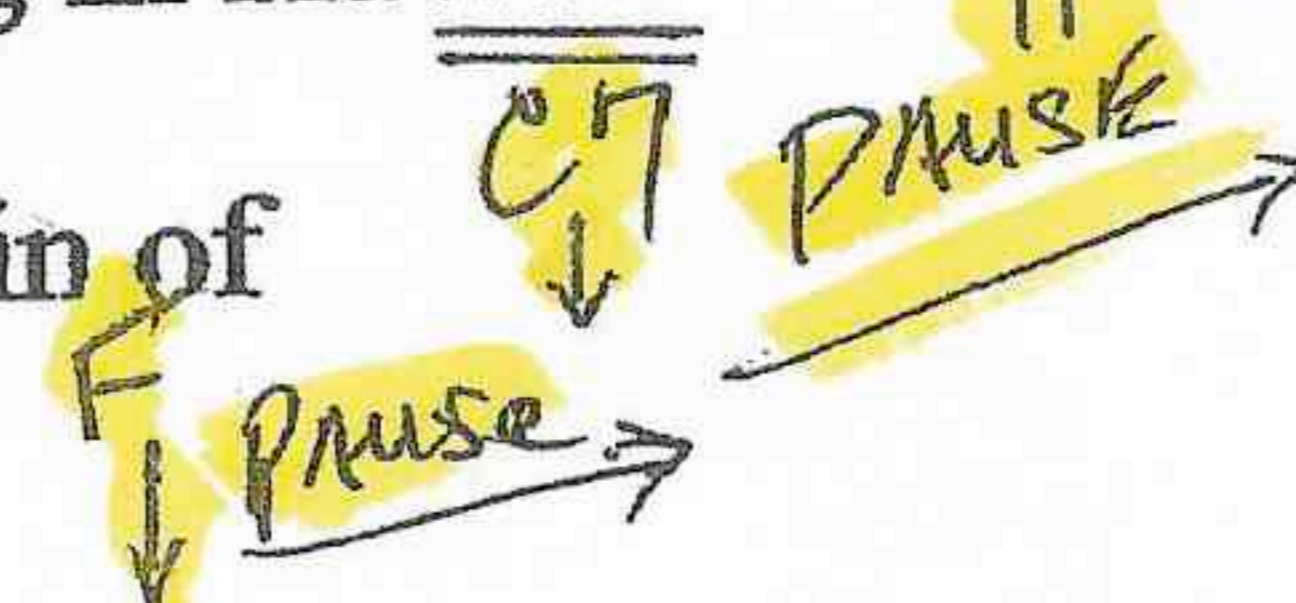

Where they swing it right, swing it left

1. Swing it all around and do the hula lolo

2. Swing it all around and do the hula lolo

And do the hula lolo
