CHURCH OF THE  
RESURRECTION

MUSIC MINISTRIES

JUNIOR MUSIC MINISTRY

The children are not merely the church of the future, but rather, they are church now, as such, a present from God to our families and our community.

We are responsible for providing them with opportunities to serve their church in realms appropriate to their level of understanding.

Why not support and encourage them to share their talents in the area of music ministry?

## OVERVIEW

The organization is a program for children from grade 3 and above who have a desire to serve God by sharing their talents with community at weekend worship.

It is a structured program, providing opportunity for advancement in leadership roles for members who would like to serve as team leaders. Team leaders help oversee the musical growth of those less advanced. They lead by example, sharing their knowledge and experience, bringing those in their charge to a greater understanding of what it means to be a team member for God. They achieve team leader status by hard work and commitment to the ideals and goals of the music ministry department.

## REHEARSALS

A typical rehearsal includes three components:

1. Theory
2. Handbell Ringing
3. Singing

Weekly rehearsals take place in the music ministry area of the church and are held Wednesdays from 5:30pm till 7pm.

## SCHEDULE

JMM will minister at the 11:30 a.m. mass on the 1st and 3rd Sunday of each month, with the Resurrection Singers. They will have an opportunity to play bells, instruments and sing alone and with the larger group.

## UNIFORM

The uniform helps to create a sense of unity and team spirit, and identifies members as part of a unique group. Uniforms provide an extra measure of safety for members, as well. Uniforms include black skirt or pants with a white shirt or blouse worn with black dress shoes.

## ABSENCE

It is understood that members are involved in many other activities that may cause them to be absent from rehearsal or mass. Since our ministry is a team effort, it is important that we are aware in the preparation stage what resources will be available for a given date of ministry. Anticipated absences should be submitted as soon as possible, either by email, phone, or note.

## OUTREACH

Members have the option to sign-up to participate in outreach opportunities such as nursing home visits and extra fun activities.

*Call the music office or email for more information*
