

NORTH BEND FOOTBALL

2009

Dear Bulldog,

I hope you are considering being a part of the North Bend athletic program next year. There will never be another time in your life to experience the kind of camaraderie that high school athletics can afford. I hope that you are considering football and even if you are not sure, I would love to have you give us permission to send you materials now and in the future. You will not be obligated, just informed.

We have many activities planned for the summer and before you know it, some will be upon us. Many of you might remember the mailings and phone calls last year and I will be using the same methods this year. I already have all our summer activities on a calendar on the website, but I will list some of the important events below. Please sign up for the upcoming season and help us continue the tradition of being the best school in the state. There is a sign-up sheet in my room.

We have a lot of opportunities to help you make yourself better during the summer and it our hope that you will take advantage of as much as possible. Not only will it help you to be more physically prepared for the season, but it gives you more time to get to know your teammates. I know there are a lot of difficult circumstances for all of us right now, but working together can make all the difference. Let's look at the positives we have going for ourselves. We have strong tradition that has seen four league titles in the past five years. We have great facilities that will be made even better with the new scoreboard this coming season. We have a strong staff of coaches who care about you and are willing to take the time needed to help you get better. And lastly, we have you- the best group of young people that any school could ask for. Put all of these together and we have the ingredients for another exciting and successful season.

Football should be fun and meaningful and we will do all we can to make it that way for you. We hope you will do your part as well and together we will continue the Bulldog tradition for the 2009 season. "Go, Bulldogs!"

Sincerely yours,

Rick Taylor
