

# NORTH BEND FOOTBALL

## 2009

Dear ,

I want to thank you for being a friend and supporter of North Bend Bulldog football. The 2008 season was a memorable one that found us losing in the state quarterfinals to the eventual state champs after a first place finish in the Far West League. We had a number of players who were all-league and some even received recognition on the all-state team but our season was not a season of individual efforts but of team togetherness.. We faced many challenges on the field, coming from behind in six games and treating the fans to some very exciting finishes. We also had our share of personal difficulties off the field, losing several people from our football family under tragic circumstances.

As we look back on the season we are thankful for the opportunity to make so many memories for our families, friends, fans, and of course, ourselves. As the 2009 season approaches, we are faced with the task of paying for more of our expenses than ever before. We hope to continue a high level of play and there are many things that go into producing a successful season. We pay for much of our own equipment, summer camps, team-building events, and even some transportation needs.

We know that this is a difficult time for everyone, but we are hoping that you might be able to help us with a donation toward our upcoming season. We have included a couple of items that you might enjoy and ask you to keep them no matter what your contribution. One is a 2008 highlight DVD and the other is a team picture. We have also included a stamped envelope for your convenience. If you want to know more about our program, please check out [www.northbendfootball.com](http://www.northbendfootball.com) where you can also subscribe for free for online newsletters and weekly updates. Again, thank you for your support and as always, "Go, Bulldogs!"

Sincerely yours,

Rick Taylor
