

Thank You!

The storied history and tradition of Cavalier Tennis has come with hard work and support from our parents and community. We are excited about the upcoming season and hope that you will be a part of another run at a state championship.

The 2006 teams both advanced to the district finals before falling to Siegel, who won the boys state championship. In addition, the girls claimed the title at the Hendersonville Invitational while the boys finished third.

We welcome any feedback and look forward to seeing you again in the future!
