Resources for symbols

http://www.aacsafeguarding.ca/vocabulary-com_displays.htm	This has mature user information. The vocabulary is about explaining information related to sex, conflict, feelings and other important information.
http://www.symbols.net/	Many resources for symbols. You have to search but there are symbols for everything. Some are abstract and others are concrete.
http://speech.jppss.k12.la.us/index.htm	Resources for AAC users.
http://www.augresources.com/	AAC materials for development, portability and ready to use.
http://dotolearn.com/index.htm	Activities, boards and ideas.
http://www.mycommlink.info/index.html	Support information for WWS.
http://www.freedigitalphotos.net/	Free Digital Photos
http://schools.nycenet.edu/d75/student/literacy/adaptedbooks/default.htm	Adapted Books
http://prekese.dadeschools.net/index.htm : Click on Assistive Technology	Assorted resources
http://www.thegraycenter.org/sample_social_stories.htm	Sample Social Stories
http://www.bcps.k12.md.us/boardmaker/Results.asp	Baltimore Assistive Technology Resources using boardmaker
http://www.speakingofspeech.com	Many great resources to use from this sight.
http://www.portacom.bc.ca/index.html	Assorted resources for display purposes.
http://www.talklc.com/	Visual Cue Instruction - great resource.
http://www.setbc.org/ (Home Page) http://www.setbc.org/projects/vss/docs/pg1.html (visual strategies)	This is a great resource of information and demonstrations.
http://www.isdd.indiana.edu/irca/IRCA_articles/fcommunicationarticles.html	Articles on using visual support - Reference Materials
http://www.priorywoods.middlesbrough.sch.uk/	Excellent resources for WWS and other pictorial stories.
http://www.aimeesolutions.com/index.html	Fabulous pre-made theme units and materials.
http://callcentre.education.ed.ac.uk/SCN/Level_A_SCA/Using_Symbols_SCB/Lotto_SCC/lotto_scc.html#downloads	The CALL Centre in the UK. This link takes you directly to the Boardmaker files. But look through the site - there are pre-made things for many things.
http://trainland.tripod.com/communication.htm	Many resources on this page to check out.
http://www.ecasd.k12.wi.us/department	Short tutorial sheets, pre-made materials

nts/special_ed/teacher_resources/assistive_technology/boardmaker/	and more.... Take a look - there are tons of ideas.
http://www.mcps.k12.md.us/curriculum/pep/teachercreate.html	Resources and Ideas that might be helpful. The site is broken down into software.
http://www.mcps.k12.md.us/curriculum/pep/teach.htm	More good ideas from the same district
http://www.sbcss.k12.ca.us/sbcss/specialeducation/ecthematic/software.htm	Teacher made theme units that use Boardmaker and Intellitools
