SEASONS GREETINGS, HAPPY HOLIDAYS, MERRY FESTIVUS, AND ALL THAT JAZZ!

Yes, we've decided it was time to join the bandwagon and add a letter to our annual holiday card mailing—and by “annual” we mean for the second year in a row. But here's the thing: We know that with each new holiday letter added to your annual collection, you have less time to luxuriously revel in the insights and literary prowess of each of these fine letters' composers. So to help mitigate such potential enjoyment detractor (post-graduates in the hiz-ouse!), we're going to deliver our “Year in Review” via everyone's favorite information delivery mechanism: bullets! Here we go...

Blatant Plug: Bloggity Bloggy Blog

For photos and all the latest and greatest in our lives (plus movie reviews and other random commentary), check out Steve's blog (web log) at shapsteve.blogspot.com. Steve usually posts something new every week or two, so check back regularly. And if that's still not enough, Steve has almost three years of archives (just follow the links on the right side of the page) that can keep you busy for days.

One More Thing...

We just wanted to take a moment to say how truly fortunate we feel to have such wonderful friends, family, and coworkers!

Happy Holidays,
Marcie, Steve, Melody, and Julianne
