## General Conditions of Entry

*(The submission of an entry to this exhibition signifies the entrant accepts the conditions of entry below)*

### Sections and number of entries

You may enter up to four (4) images into the only section available - Open Section.

### Presentation

All entries must be exposed on transparency film, **in camera** and developed in a chemical process. **No digitally exposed or computer manipulated images on transparency film are permitted.**

Slides shall be presented in 50mm x 50mm mounts, glassed or un-glassed. It is recommended that ridged mounts eg GEPE mounts be used. Cardboard mounts will not be accepted, glass mounted slides will be accepted providing they fit in the standard Kodak type carousel. 35mm only

### Identification

Slides to be spotted in lower L/H corner when viewed in the hand held position. The title (if applicable) and the number to correspond with that on the entry form must be visible on the spotted side. The authors name and address must appear on the reverse side. As adhesive labels tend to peel off slide mounts, jam projectors and damage slides, it is strongly recommended that a fine tipped marker pen be used.

### Packaging and return of entries

All entries must be packed in re-usable packaging for return delivery. The salon organisers will take all reasonable care of entries, but will not accept responsibility for any LOSS or DAMAGE. Entrants should arrange their own insurance. Return postage must be included with entries; please ensure it is large enough to accommodate a B4 size catalogue.

### Awards

Awards will be allocated in accordance with the by-laws of the PSNZ. The judges' decision is final and no correspondence or discussion will be entered into.

There will be a Champion Slide Trophy and Certificates for all Honours & Acceptances  
Images may be reproduced for publicity and catalogue purposes only.
