Helen photographs New England, as well as worldwide, and uses actual prints in her products. She would also be happy to discuss introducing her camera to new views. We do custom work.

The minimum order is a flexible \$50 -- a deposit may be required for new customers and for special orders. Imprinting on some products is available (extra charges will apply). The average turn-around time is two weeks.

Thank you for your interest. We look forward to being of service.
